

Tulsa Retina Consultants

Setting the bar for retina care throughout Northeast Oklahoma.

Dr. Lars Freisberg, Dr. Thomas Finley and Dr. Stephanie Cooper formed Tulsa Retina Consultants with an emphasis on compassionate, patient-centric care.

Dr. Cooper is a board certified optometrist. She completed an ocular disease residency and then went on to complete one of the nation's first optometric retina fellowship programs.

Tulsa Retina Consultants treats all conditions and diseases of the retina. Specific focus areas include **macular degeneration, retinal detachment, diabetic retinopathy, and flashers and floaters.**
